DO NOT send this fee to the Court.**

You will work with ExamSoft to register for the laptop computer testing program; download and install the security software; and certify your laptop computer for the bar examination. You will be solely responsible for completing these steps with ExamSoft. It is each applicant's responsibility to register with ExamSoft, pay the appropriate fee and follow all ExamSoft instructions.

In the event that technical difficulties occur during the bar examination, **you will be required to handwrite your essay answers in the answer books provided and no additional testing time will be provided.** Technical difficulties may include hardware or software malfunctions, data saving or retrieval problems, operator errors or the loss of electrical power at the examination facility.

## **Communications between Laptop Computer Testing Program Registrants and ExamSoft**

- All communications between applicants selecting to participate in the Laptop Computer Testing Program and ExamSoft will be by e-mail.
- You will be contacted at the e-mail address you provide on your bar application. It is your responsibility to maintain the email address provided until the conclusion of the bar examination process. Should unforeseen circumstances require that you change your email address during this time, you are required to provide a new and valid e-mail address to the Court immediately.
- ExamSoft will use any identifying information regarding program registrants for the sole purpose of establishing an account for each applicant to register and download software.

2. The Board of Bar Examiners (Board), its staff and ExamSoft, are not liable for technical difficulties that occur when using a laptop computer during the bar examination including, but not limited to: hardware or software malfunctions; data saving or retrieval problems; power failure; software incompatibilities; operator errors; or other technical problems. In the event of any technical difficulties, I will begin or continue the bar examination by writing my answers in the answer books provided. Should this happen, I will be required to handwrite the balance of my bar exam.

3. I understand that, in the event of technical difficulties during the bar exam, no additional testing time will be given to me.

4. Should all or a portion of my essay answers become lost or unrecoverable, I will not hold the Board, ExamSoft, or any of their employees, agents, representatives and/or affiliates liable. The Board has no obligation to undertake efforts to retrieve any portion of my essay answers that may be lost or missing. Should I experience technical difficulties, I will promptly assist the Board in every way, including presenting my laptop computer to the Board or its designee, either at the exam site or the Board's office. If all or a portion of my essay answers are lost or unrecoverable, only those portions that are retrieved will be graded. If I do not receive a passing score on the bar exam, I understand that I cannot request, nor will I receive, reconsideration or modification of my essay grades for any reason directly related to the Laptop Computer Testing Program.

5. I am required to report to the bar exam testing area on Thursday, the day of the essay portion of the examination, no later than 8:30 a.m., to set up my laptop computer at my assigned seat and begin the boot-up procedures for the software. I will follow the instructions provided. In the event of any technical difficulties, I will immediately notify a proctor who will provide me with answer books to handwrite the bar exam. I understand that if the software is not fully functioning by the time the morning announcements begin, I will be required to handwrite my answers. If I arrive late for any reason I may, at the discretion of the Board or its designee, be disqualified from using my laptop computer for the bar exam. In such an instance, I will be required to handwrite my answers in the answer books provided, in my assigned seat in the computer testing area.

6. My laptop computer must remain in the testing area until the examination is finished for the day.

7. My essay answers must be uploaded to ExamSoft’s secure web server as directed prior to leaving the exam site (except in extraordinary circumstances as determined by the Executive Director or her designee). Failure to upload my answer files may result in the disqualification of my essay answers.

8. The Executive Director of the Board of Bar Examiners or her designee has the authority to determine my eligibility to participate in the Laptop Computer Testing Program.

9. I hereby release, discharge and exonerate the Board, its employees, agents, representatives and/or affiliates from any and all liabilities of every nature and kind arising out of the option to use my own laptop computer for the essay portion of the bar exam. I understand that no technical assistance will be provided during the administration of the exam in the event of a computer or software problem.
