

Pittsfield Public Schools

Tiered Model of Math Instruction

Linda Avalor, Curriculum Coordinator
Math, Science, Health, Physical Education

Stephanie Case, Special Education Director

Pittsfield Public Schools
Mathematical Literacy Framework

Based on *A Comprehensive Literacy Program, k-8* model developed by J. David Cooper

Math Support Network

- Learning Characteristics of Struggling Learners
- Accessibility Strategies
- District/Network Action Plan

What is working well in Pittsfield

- Shared beliefs
- Instructional coaches
- Tiered Instruction
- Math pacing guides
- Common math resources/assessments
- Use of data
- Aligned DIP and SIP

Uses for Tiered Instruction

- Framework for RTI
- Specific Learning Disabilities techniques/practices
- Positive Behavioral Support

Ways we built on strengths

- Assessment (AIMSWEB, Galileo)
- Intervention resources (Math Steps, Mathletics, ALEKS)
- Professional development
- Enhanced collaboration-Math for ALL
- Building-based math teams

What is next?

- Continue district Math Support Network
- Universal understanding of accessibility techniques/practices
- ALEKS for all
- Expand vertically
