At the public meeting, DCR and MassDOT will present, and obtain public input on, the proposed design for reconstruction of the Norwottuck Rail Trail.

DCR has been working closely with MassDOT and with input from Norwottuck Rail Trail Advisory Committee to design and permit the project. The design is expected to be completed in 2012. The reconstruction phase of the project is anticipated to be completed in 2013, through \$4.4 million in MassDOT/Federal Highway Administration funds.

The April 3 public meeting will be followed by a formal MassDOT 25% design hearing, to be held later in the spring. If you have questions about the April 3rd public meeting, please email DCR.Updates@state.ma.us or call 617-626-4974.
