The Massachusetts Department of Conservation and Recreation (DCR) and the Emerald Necklace Conservancy (ENC) are hosting a series of three public meetings to engage area residents and stakeholders in addressing issues around improved safety and access to the parklands of the Emerald Necklace in Jamaica Plain, while reinforcing the parklands' historic character.

On the dates noted below, DCR and ENC will present and obtain feedback on options for improved safety and accessibility for all users - pedestrians, cyclists, and motorists - at three key areas of concern:

Thursday, October 1
Wednesday, October 7
Wednesday, October 14

Perkins Street and Parkman Drive
Centre Street from the VFW Parkway to Murray Circle
The Arborway, between Eliot Street and South Street,
including Kelly Circle and Murray Circle

(see next page)

Shortly after each public meeting, the presentation made will be available for viewing on DCR's website at <http://www.mass.gov/eea/agencies/dcr/public-outreach/public-meetings/>.

For a three-week period following each meeting, the public is invited to submit comments regarding the respective meeting's topic online at <http://www.mass.gov/eea/agencies/dcr/public-outreach/submit-public-comments/> or by writing to the Department of Conservation and Recreation, Office of Public Outreach, 251 Causeway Street, Suite 600, Boston, MA 02114.
