Database of Massachusetts Municipalities with Hauler Recycling Regulations --- November 2015

**Disclaimer:** The data contained in this file is a reference tool and is subject to change. For more current information please contact the individual municipality. All the municipalities listed in the database have a regulation on file with MassDEP and is available per request

When requesting a document, please provide the name of the municipality in an email to [Emily Martin](mailto:Emily.Martin@massdep.gov).

KEY

Municipality Name	Town or City
Population	Number of residents
Total Number of Households	Total number of households in community
Trash Collection Type	Indicates whether the municipal trash program is curbside, drop-off or subscription (resident contracts with a private hauler)
Recycling Collection Type	Indicates whether the municipal recycling program is curbside, drop-off or subscription (resident contracts with a private hauler)
Year Adopted	Year the regulation, bylaw or ordinance was passed by the legislative body or board
Type of Enforcement Mechanism	Indicates whether this is a regulation passed by Board of Health (BOH), an ordinance passed by the city council or a bylaw passed by the town council
Enforcement Authority	Indicates who has the authority to enforce
Actively Enforcing	Indicates that the municipality is running an active program based on recent reports
Annual Fee	When known, indicates whether a hauler must pay to obtain or renew a hauling permit
Reporting Requirement	Indicates whether or not the hauler must report tonnage data (usually on a monthly basis)
Bundled Requirement	Indicates whether or not the hauler must provide trash and recycling service as one 'bundled' price
Additional Comments	Additional Comments

Searching database with selected criteria

To filter out certain criteria, click the drop down menu. In this example, a program that offers only curbside will be listed. To go back to the original full list, click the drop down menu again and select "(All)."
