Determination of Technical Completeness: Issuance of Provisional Permit.

Dear Mr. Davis:

The Massachusetts Department of Environmental Protection (the "MassDEP") has completed the technical review of the application listed above and determined that the application is technically complete. Accordingly, the MassDEP hereby issues the enclosed Provisional Permit.

The attached Provisional Permit is issued pursuant to the provisions of Massachusetts General Laws (M.G.L.) Chapter 111, Section 150A and 310 CMR 19.000, the "Solid Waste Management Facility Regulations". Pursuant to the provisions of 310 CMR 19.037 (4)(a), the MassDEP will accept written comments on this Permit for twenty-one (21) days from the date of this letter. Subsequent to receipt of any comments, the MassDEP will complete its review and issue a final determination regarding the permit application.

Written comments may be submitted to:
