## Well Driller Program Well Completion Report Correction and Change Request

Changes to a submitted Well Completion Report can only be made by MassDEP staff. Use this form to submit a request for a change of the information submitted. Multiple changes for a specific well may be requested on this form. Be specific about the exact change(s) to be made and the reason. Include a copy of the submitted report indicating the change needed. Cross out the error and write or type in the correct information.

Mail this form (and Well Completion Report with corrections) to: **MassDEP, Well Driller Program, 1 Winter St., Boston, MA 02108**

**Do not use this form** if the change is due to a physical change made to the well since the report was submitted. Instead use the appropriate Well Completion Report form. Example: If a well is drilled to 100 feet and then deepened to 150 feet, use the appropriate form and submit as Deepening.
