

Stormwater Phase II Town Watersheds

Finding Your Impaired Waters:

1. Look at the table below.
2. Find your town in the table and read across the line to determine what watersheds intersect your town. The list of impaired waters is organized by watershed.
3. Use the “Proposed Integrated List of Waters” found on the MassDEP website. Impaired waters are listed in the “Category 5” table. Look at the listings for each of the watersheds you have identified as part of your town using the Phase II Towns table. Most waterbody listings contain the name of the town where the waterbody is located in the “Description” column. The table only names the towns at the start and end of a river or stream segment. A segment may flow through several towns in between. Look at a map. U.S.G.S topographic maps are recommended.
4. List the category 5 waterbodies that are partially or wholly in your town. These are your Impaired Waters.

Town	Primary Watershed	Secondary Watershed	3rd Watershed
Abington	Taunton	S. Coastal	Boston Harbor (Weymouth & Weir)
Acton	Concord		
Acushnet	Buzzards Bay		
Agawam	Connecticut	Westfield	
Amesbury	Merrimack	North Coastal	
Andover	Shawsheen	Merrimack	Ipswich
Arlington	Boston Harbor (Mystic)	Charles	
Ashland	Concord	Charles	
Attleboro	Ten Mile	Taunton	Blackstone
Auburn	Blackstone	French	
Avon	Taunton	Boston Harbor (Weymouth & Weir)	
Ayer	Nashua	Merrimack	
Barnstable	Cape Cod		
Bedford	Shawsheen	Concord	
Belchertown	Chicopee	Connecticut	
Bellingham	Charles	Blackstone	

Town	Primary Watershed	Secondary Watershed	3rd Watershed
Belmont	Boston Harbor (Mystic)	Charles
