

DOER Informational Webinar

**2011 Regional Avoided Costs (AESC)
Study
and
Avoided Carbon Compliance Costs
in the 2012 MTMs and
Three-Year Energy Efficiency Plans**

September 9, 2011

[Christina Halfpenny](#)

[Division Director, Energy Efficiency](#)

www.mass.gov/doer

Agenda

- Informational briefing only
- Questions will be addressed through the moderator (no discussion or deliberation)
- Three presentations:
 - Max Chang/Bruce Biewald, Synapse
 - Jeff Schlegel, EEAC Consultant
 - Jeremy Newberger, Program Administrators

Regional 2011 Avoided Cost (AESC) Study

- Six New England States (ISO-NE area)
- Conducted every two years
- Provides consistent values for avoided costs throughout all New England states
- To be used for Energy Efficiency programs only
- Will be applied going forward for:
 - 2012 Mid-Term Modifications (MTMs)
 - Next Three-Year Plans (2013-2015)
