Observations and Recommendations

1. The inmate population was 39 at the time of inspection.
2. Unit B was empty at the time of inspection.
3. During the inspection, the Department recommended that all showers and cells be identified with a numbering system. This will assist the Department and correctional employees to better recognize where issues exist.

This facility does not comply with the Department's Regulations cited above. In accordance with 105 CMR 451.404, please indicate next to each entry on the inspection report a plan of correction. Said plan of correction must be submitted within ten working days of receiving this report and should detail the specific steps that will be taken and the date of expected compliance. The plan of correction should be submitted to my attention, at the address listed above.

To review the specific regulatory requirements please visit our website at www.mass.gov/dph/dcs and click on "Correctional Facilities" (available in both PDF and RTF formats).

To review the Food Establishment regulations please visit the Food Protection website at www.mass.gov/dph/fpp and click on "Food Protection Regulations". Then under "Retail" click "105 CMR 590.000 - State Sanitary Code Chapter X - Minimum Sanitation Standards for Food Establishments" and "1999 Food Code".

This inspection report is signed and certified under the pains and penalties of perjury.

Sincerely,

Nicholas Gale
