

To: State Laboratory Institute
From: All Sites (abbreviated)

Visitor Parking for the State Laboratory is available at the Fitz-In Parking Lot, 3649 Washington Street, or as directed.

From Logan International Airport

We recommend public transportation, taxi or shuttle for those unfamiliar with the area.

By subway Take the Massport shuttle bus to the MBTA Subway Blue Line. Take Blue Line inbound towards 'Bowdoin' and exit at 'State'. Stay in the subway tunnel and change to the Orange Line toward 'Forest Hills'. Take the Orange Line to the last stop, 'Forest Hills'. Go up the stairs and exit station at South St. Walk up the hill to the State Laboratory (305 South St.) a few hundred yards on your right. (~50 min.)

By car On exiting Logan, follow signs to Rte 1A South and then to Boston-Summer Tunnel. Stay in left lane for I-93N. At Summer Tunnel entrance pay \$2 toll. At tunnel exit, follow signs for I-93 N/ Storrow Drive/Cambridge. Once on I-93 N, follow signs to Storrow Drive, then for Storrow Drive West. As Storrow Drive forks, follow Storrow Drive West. Take left lane exit, marked 'Kenmore Square/Fenway Rte 1 South', and follow 'Fenway' sign. Then bear to right for 'Boylston St., Outbound/Riverway.' Continue on Boylston St., which becomes Brookline Ave. Go straight on Brookline Ave. past hospitals. After Francis St., turn left onto the Riverway. This becomes the Jamaicaaway (long winding road). At the rotary after Jamaica Pond (Wm. Kelly Circle), go half way around. Follow signs for Rte 203 East/Dorchester. At the next rotary, go half way around following Rte 203 East (the Arborway). Stay in right lane. Staying to the right of the brick overpass, take the down ramp marked 'Forest Hills/Roslindale'. At the end of the ramp turn right onto Washington St. Take next right at light onto South St. The State Laboratory Institute (305 South St.) is a few hundred yards on the right. (~45 min) ↗

From the North (via Rte 93S) Take I-93 South to Storrow Drive (Exit 26). Follow signs for Storrow Drive West. As Storrow Drive forks, follow Storrow Drive West. Take left lane exit, marked 'Kenmore Square/Fenway Rte 1 South', and follow 'Fenway' sign. Then bear right for 'Boylston St., Outbound/Riverway.' Continue on Boylston St., which becomes Brookline Ave. Go straight on Brookline Ave. past hospitals. After Francis St., turn left onto the Riverway, which becomes the Jamaicaaway (long winding road). At the rotary after Jamaica Pond (Wm. Kelly Circle), go half way around. Follow signs for Rte 203 East/Dorchester. At the next rotary, go half way around following Rte 203 East (the Arborway). Stay in right lane. Staying to the far right (stay right of overpass), take the down ramp marked 'Forest Hills/Roslindale'. At end of the ramp turn right onto Washington St. Take next right at light onto South St. The State Laboratory Institute (#305 South St.) is a few hundred yards on the right.

From the West (via Mass Turnpike) From I-90/ Mass Turnpike, exit at I-95 South (Rte 128S). (This will be Exit 14 if traveling east and Exit 15 if traveling west on I-90.) Continue on I-95 S to Exit 20A (marked Rte 9 East/Brookline). Take Rte 9 East and continue until you enter Newton. After the Susse Chalet (on right), take right Exit at "West Roxbury/Hyde Park". At bottom of ramp turn right onto Hammond Pond Parkway (no street sign.) Continue straight. At 1st rotary, take 3rd right (as if going straight through, following Faulkner Hospital sign.) Stay right and bear right at the fork. This becomes W. Roxbury Parkway. At next rotary, take 2nd right (as if going straight through.) At 3rd rotary, go 3/4 of way around and exit, following sign to North/Boston/Cambridge. This will be the VFW Parkway (Rte 1N). Continue straight, then turn left at traffic light onto Center Street. Stay in right lane. Take 1st right onto Walter Street and 1st left onto Bussey Street. At stop sign, turn left onto South Street (winding road). Go about 0.4 mile. The State Laboratory Institute (305 South St., a tall concrete structure) will be on your left. (~15 min)
