

***IMPORTANT ANNOUNCEMENT REGARDING FACILITY INSPECTIONS:***

Beginning January 1, 2016, the Board and the DHPL Office of Public Protection (OPP) will begin scheduled inspections of those dental offices that hold current Permit D-B1 or Permit D-B2 facility permits for the administration of moderate sedation and/or minimal sedation. Please be advised that these inspections will be scheduled for a date and time that is mutually convenient for the permit holders and the OPP dental investigators. Further, the Board will begin these inspections at those dental offices that hold current Permit D-B1 or D-B2 facility permits that were not inspected at the time the permit was initially issued or were inspected several years ago.
