601 Introduction

MassHealth pays for the services for codes listed in section 602 in effect at the time of service, subject to all conditions and limitations in MassHealth regulations at 130 CMR 427.000 and 450.000. In addition, a provider may request prior authorization (PA) for any medically necessary oxygen and respiratory therapy equipment or supplies. Providers should consult *Transmittal Letter OXY-32* for the specific effective dates of service for the service codes.

Providers should refer to the *MassHealth DME and Oxygen Payment and Coverage Guidelines Tool* for service descriptions, applicable modifiers, place-of-service codes, PA requirements, service limits, and pricing and markup information. For certain services that are payable on an individual-consideration (I.C.) basis, the tool can calculate the payable amount, based on information entered into certain fields on the tool.

To see the *MassHealth DME and Oxygen Payment and Coverage Guidelines Tool*, go to www.mass.gov/masshealth. Click on Provider Library, then on MassHealth Payment and Coverage Guidelines Tools.
