MEMORANDUM

TO: Heads of Fire Departments

FROM: Stephen D. Coan
State Fire Marshal

DATE: December 15, 2006

SUBJECT: **Information from the Department of Public Health**

The attached information has been received from the Department of Public Health. DPH has been receiving anecdotal reports of heroin/fentanyl related fatal and non-fatal overdoses on the South Shore and they have requested our assistance in re-distributing this information to fire departments as a number of fire departments also do EMS.
