To: Whom it may Concern

My Name is Hector Arriaga. a Prisoner at the Mass. Dept. of Corretion At Norfolk. as an out of state inmate I lack the oportunity to have My family visit me at the institution. My only ways of communication is by telephone.in the past what little Money I had was used for that purpose since out of state calls were So spensive.then the prices went down wich was a needed relief for Me. now I receive news that prices may soar again and I am concerned About my ability to continue comunicatting with my family and also my Friends.

I am hoping that an understanding can be reached and we are aforded The same prices/rates of those on free society whom at least have a Budget or income surpassing 1.50¢ a day.to pay for their phone calls.
